

Walk No. 1

## **Circular Walk to Thorncombe Beacon, Eype Down and Back to Eype's Mouth Country Hotel**

Leave the car at Eype's Mouth Country Hotel and walk down the lane to the Beach, then turn right along the cliff path. Make your way up to the top of Thorncombe Beacon and give yourself a rest to get your breath back and admire the superb views of Lyme Bay.

Now take the path that goes inland from the Beacon, you may notice badger sets along the way. Go through the gate into the field, and, following the path you will reach the woodlands on Eype Down, where bracken, gorse and bluebells combine to make an idyllic scene.

On reaching the wide tractor rutted path turn right and then right again along to Down House Farm. Cross the lane, pass the farm buildings on your right and continue through open farmland to join up with the lane below the Hotel.

*This walk takes about two hours.*
